1. REVISION TO THE DEPARTMENT ORGANIZATIONAL CHART

[Attached](#) to these Staff Notes is the revised Department Organizational Chart.

The revision incorporates both Neighborhood Policing and Investigations under the Office of Operations, commanded by Assistant Chief James L. Whalen. Additionally, Administration Bureau has been renamed Office of Support Services, commanded by Assistant Chief Richard L. Janke.

2. CURRENT ID CARDS REQUIRED FOR WORLD CHOIR GAMES

The City Manager has issued a directive, [attached](#) to these Staff Notes, which will require Department personnel working any World Choir Games event to be credentialed by means of the most current Police Department ID Card with a clear photo. The current Department ID Card has the City of Cincinnati Seal instead of the police badge. To comply with the directive of the City Manager, affected personnel must ensure their Department ID Card is current.

Personnel requiring a new Department ID Card must respond to Personnel Management Unit between 0800 and 1500 hours Monday through Friday, before Tuesday, July 3, 2012, to be in compliance with the City Manager's directive.

Personnel shall be in uniform or conservative business attire for the photograph, depending upon assignment. Direct any questions to Personnel Management Unit at 352-3534.

3. COURT HOLIDAY – INDEPENDENCE DAY

The Hamilton County Municipal Court will observe the Independence Day holiday on Wednesday, July 4, 2012. All courtrooms will be closed. Hamilton County Juvenile Court will also be closed.

Police Officers are reminded to not issue citations requiring a court appearance on this date.

4. SWAT UNIT TRYOUTS

The Special Weapons and Tactics (SWAT) Unit is accepting applications for potential new members. Police Officers and Police Specialists interested in trying out must submit a Form 17 through the chain of command to Lieutenant Mark Vennemeier, SWAT and Tactical Coordination Unit Commander. This is not a change of assignment; therefore, the Sworn Assignment Application (Form 77) process does not apply. Upon receipt of the form 17, the SWAT and Tactical Coordination Unit will mail the applicant a packet containing information detailing the testing process.

Applicants will be required to successfully complete a series of tests which will measure their level of fitness and firearms proficiency. Applicants will also be required to undergo a psychological evaluation and medical examination.

Questions should be directed to Lieutenant Mark Vennemeier, Swat and Tactical Coordination Unit Commander at (513) 263-8091.

5. REVISED DATE FOR *DOMESTIC VIOLENCE REFRESHER* TRAINING

The Ohio Peace Officer Training Academy (O.P.O.T.A.) is providing *Domestic Violence Refresher* training at the Cincinnati Police Academy on **Wednesday, September 12**, 2012, from 0800 to 1600 hours. The originally published date of September 25, 2012, in the previous Staff Notes is inaccurate.

This eight-hour course will review establishment of the primary physical aggressor, protection orders, and the criminal statutes related to domestic violence, menacing, and stalking.

There is no cost to attend this training. Personnel interested in attending the training must submit a Form 17 through their chain of command to Training Unit, no later than Tuesday, July 10, 2012. Training Unit will complete the registration and notify personnel approved to attend. Officers may attend on-duty with the approval of their supervisor. No overtime will be provided for personnel attending this training. Attendees may wear casual business attire or the operational uniform. Questions regarding this training should be directed to Lieutenant Christine Briede, Training Unit, at 352-3562.

6. COMPSTAT INFORMATION

[Attached](#) to these Staff Notes is the most current COMPSTAT Information. Department personnel are directed to review this information to ensure they remain familiar with crime patterns and trends occurring within the City and their areas of responsibility.

7. POLICE CHIEF'S COMMENDATIONS FOR THE WEEK

**POLICE OFFICER JODY EDWARDS
District Four**

The Carthage community has seen a significant increase in its Hispanic population. Hispanic immigrants have a fear of police based upon experiences in their native countries, and often fear deportation if they report a crime. Serious crimes were going unreported. Police Officer Jody Edwards utilized the SARA process (Scan, Analyze, Response and Assessment) to determine in the most effective way to involve the community.

Officer Edwards recognized a need for improved communication between the residents, police and government services. Officer Edwards arranged basic Spanish lessons for beat officers through Su Casa and created a program equal to a Citizens Police Academy for the Hispanic residents of District Four. Over the past year and a half, Officer Edwards fostered a relationship between the Cincinnati Police Department and the Hispanic community by explaining police operations, how to interact with police, how to report a crime and the familiarization with local, state and federal Laws.

Recent crime statistics show a seventeen percent increase in crimes reported by the Hispanic community. Officer Edwards has partnered with the University of Cincinnati to provide student teachers to assist with English and Spanish lessons for all community members. This program has assisted other departments with organizing programs to improve relations with the Hispanic community.

Police Officer Jody Edwards is deserving of this commendation and my personal appreciation for her dedication to duty, selfless acts, outstanding efforts and concern for the Hispanic Community of Carthage.

POLICE OFFICER DONALD JORDAN
District Four

In an effort to reach out to the youth of the Avondale Community, Police Officer Donald Jordan created two exciting programs. These programs challenge children to help stop the violence which plagues their communities and schools.

The first program brought together more than 400 young people to hear from positive and influential members of their communities. These messages spoke to what it truly means to be a man or a woman, father or mother, and a role model for those who come after you.

The second program was an organized peace march to spread a positive message. In addition, separate luncheons were held for boys and girls, allowing them to realize their messages are different. Officer Jordan followed this program from planning and implementing to its completion. Officer Jordan spent countless hours mentoring children, tutoring as well as finding mentors, seeking volunteers and donations to make this project a success. Officer Jordan also supported Adopt-A-Class at Rockdale Academy by engaging the students in a classroom setting, showing them how important education is and rewarding them with a field trip to a Cincinnati Reds baseball game. Based upon the response from the administrators, teachers and most importantly the children, this program was a great success.

Officer Jordan is further commended for his efforts volunteering as a basketball coach for one of the community schools, teaching the children cooperation, respect and sportsmanship.

Police Officer Donald Jordan is deserving of this commendation and my personal appreciation for his dedication to duty, selfless acts, outstanding efforts and concern for the youth of the Avondale Community.

Subject: City of Cincinnati Employee Photo ID's

In preparing for the World Choir Games and getting City employees credentialed, two things have been discovered:

1. Some employees have never been issued an ID badge, so their photograph is not in the system.
2. Some photos are so old they are no longer useful.

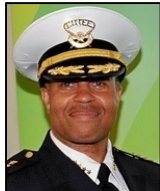

With that in mind, I am requesting that every employee who has an ID badge that is older than five years or who has an ID badge **that does not have the City's new logo** to please get a new badge as soon as possible, but at the minimum by July 3, 2012. Department Directors have been instructed to take whatever steps are necessary to ensure that this happens within your respective departments.

For employees whose department does not provide ID badges in-house, they can schedule a time to obtain a new ID by emailing Walt Melson of Public Services at walt.melson@cincinnati-oh.gov. He is available on Tuesdays and Thursdays from 7:00 a.m. until 4:00 p.m. at City Hall's Information Desk on the first floor.

I thank you for your cooperation.

Milton Dohoney, Jr.
City Manager

Dear Sir:

I am writing this letter to make you aware of, and to commend the kindness and action of two of the members of Cincinnati Police Department's District 2.

Today I drove to Hyde Park to meet a friend for lunch. After parking at a meter on Edwards Ave. near Hyde Park Square I found myself in the ridiculous position of having my car parked, locked, and the engine running. How that happened was through an accidental turn of events, and – as you might imagine – was very embarrassing. As I had previously driven across Hyde Park Square on Edwards Ave. toward where I parked I had noticed a police cruiser parked at the curb on the Square. So, I walked from my locked, still-running car back to the police car and by great good fortune encountered Officer Steve Hoerst of District 2. He very kindly went to the trouble of driving me back to my parked car, and then contacted Captain Paul Broxterman, also of District 2, who apparently possessed a device that might assist in unlocking the car.

Captain Broxterman generously took the time to come to the scene to attempt to unlock my car. Unfortunately, the device was unsuccessful in unlocking a door, but Officer Hoerst went to the trouble of summoning AAA to assist me. I am not a member of AAA, but connected with the friend I was meeting for lunch, was able to use her membership, and the car was ultimately unlocked, and the engine turned off.

Both Officer Hoerst and Captain Broxterman were extremely courteous and helpful. I realize that they likely had other more important, urgent tasks to do. They certainly demonstrated that, indeed, members of the Cincinnati Police Department exist not only to protect, but to also serve when service is needed. I extend to them my heartfelt thanks, and extend to you compliments for engendering in the Cincinnati Police force the ethos of service.

Sincerely yours,

Juanita Mills

Dear Sergeant Cornacchione:

I would like to sincerely express my gratitude for your departmental participation in the 2012 Ohio Peace Officers' Memorial Ceremony. Your dedication each and every year provides us the opportunity to honor those law enforcement officers who made the ultimate sacrifice while serving their communities. Without the devotion and involvement of fine law enforcement men and women, this event would not be possible. I was deeply moved by the support of law enforcement in giving their time and energy to this special Ceremony.

Again, thank you for joining me, the Commission and Academy staff, and Ohio's law enforcement community in making the Ohio Peace Officers' Memorial Ceremony a lasting tribute to our fallen heroes and their surviving family members.

Sincerely,

Dear Lieutenant Thomas:

The Office of Investigations would like to express our gratitude to your staff for the exceptional assistance that they rendered during the recent visit of the Secretary of the United States Department of Health and Human Services, Kathleen Sebelius, at the Netherland Hilton in downtown Cincinnati. We would especially like to recognize Officer Matthew Martin for the outstanding support he provided to the protection detail.

Officer Martin provided critical support to monitor a large rally which occurred less than one block away from the Secretary. The rally was against the Obama administration's proposed healthcare plan, overseen by Secretary Sebelius. During the rally, Officer Martin advised our agents on the status, location, and substance of the demonstration.

The cooperation that we received from Officer Martin and the rest of your staff greatly contributed to Secretary Sebelius having a safe and successful visit during the scheduled event at the Hilton Hotel. Please convey our appreciation to all who participated in this assignment, as their performance was commendable.

Sincerely,

Saturday June 2nd

Dear Chief Craig,

5/27

The Management Staff and the Members of Hyde Park Golf and Country Club want to say thank you for the excellent job your police officers did for us during our recent fire at the club Saturday, June 20th. We had a fire in our electric box that was very serious. I spotted the fire and called 911 telling one of the employees to get everyone out of the building as there was a hot water heater not more than twenty feet away from the panel that was on fire.

Within no more than five minutes after the call was placed to 911 two Cincinnati Police officers arrived at the club and took position with their cars just inside the entrance to the club driveway. We had a 300 person wedding reception that was due to arrive in twenty minutes. Only minutes after the police arrived six fire engines arrived at the club and within a few minutes they were able to get the fire under control.

When the guests arrived for the wedding, the officers guided all the drivers where park in the lower parking lot. Everything was done in an orderly fashion to the point not too many of the guests even realized what was going on inside the basement of the clubhouse. Later that night some of the power was restored and the reception went on without any problems.

I know many times the Cincinnati Police Department receives much criticism and rarely do people come up and say thank you. We appreciate all what the officers in District Two do for our club to make it safer for our membership and employees over the years. The two police officers that arrived here at the club that evening were very professional and handled the situation flawlessly.

Again, thank you.

Re: Doug Westerman

Gentlemen:

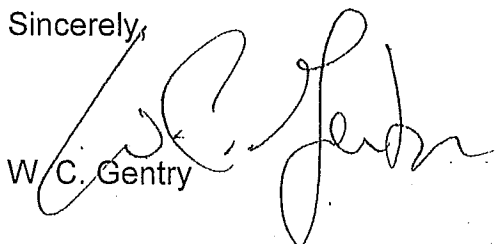

I left carry-on luggage in a taxi that picked me up at the Millennium Hotel on May 24, 2012. I had very little information about the taxi, but was helped greatly by "Ed" at Ron's Taxi who spoke to some of his cab drivers and gave me a lead on possible cabs that may have been involved based upon the description of the driver. Ed also forwarded me to Doug Westerman, and he spent a considerable amount of time obtaining information and then went about trying to locate the cab driver. Not long after I spoke to Mr. Westerman, June Hill called me and advised that she had my luggage and had been trying to locate me. She had gone back to the Millennium Hotel after she discovered the bag in her taxi and had been unsuccessful in determining my identity. Because of Mr. Westerman's call, Ms. Hill and I were put in contact and she is now returning my luggage to me.

I want to thank Mr. Westerman and your agency for your very professional and courteous assistance in this matter. I also greatly appreciate Ed's help at Ron's Taxi and, of course, Ms. Hill, who was very concerned about the luggage and her initial inability to locate me. I must say this has created a very positive image of Cincinnati and the very fine people who work and live there.

Thank you for your help.

Sincerely,

W. C. Gentry
